Meeting summary for DATA-6550 - Review Session (03/18/2025)

Quick recap

The team discussed their progress on a project, with Richard and Isaiah admitting to being behind due to work commitments and a mountain biking injury, respectively. They also discussed their project deadline, which is at the beginning of May, and agreed to aim for submitting their work by 10 PM the following day. The team decided to focus on the deliverables first and leave the PowerPoint presentation for Thursday's class.

Next steps

- Richard to work on his assigned tasks either later in the evening or first thing tomorrow.
- Isaiah to fix his data bias stuff by tonight.
- Karson to complete algorithmic bias work tonight.
- Karson to work on the Word document tomorrow.
- Hector to continue working on the Word document.
- All team members to aim for project submission by 10 PM tomorrow.
- Richard to open a Zoom link tomorrow evening for team collaboration if needed.
- All team members to focus on deliverables for tomorrow's submission.
- Team to discuss PowerPoint presentation on Thursday.
- Richard to upload meeting transcripts.

Summary

Team Progress and Personal Updates

The team discusses their progress on a project and personal updates. Richard and Isaiah admit to being behind due to work commitments and a mountain biking injury, respectively. Karson and Hector have made some progress on their parts. The group plans to work on their individual sections and the word document in the coming days. They also briefly discuss the approaching end of the semester, noting that only about a month and a half remains.

Project Deadline and Repository Review

The team discusses their project deadline, which is at the beginning of May. Richard mentions the need to talk to Dr. Wallin about their grade, as there was a

misunderstanding regarding which repository was reviewed. They agree to aim for submitting their work by 10 PM the following day, with the option to have a late-night meeting if necessary. The team decides to focus on the deliverables first and leave the PowerPoint presentation for Thursday's class.
